

## Frequently Asked Questions

---

### **1. What is a ProMoot?**

ProMoot is a mini moot conducted on an online platform. It is a monthly moot, each moot dealing with one specific area of law. ProMoot follows a single participant format which balances key aspects of research and advocacy skills. ProMoot adopts the traditional mooting format of memorial submissions and oral rounds, while maximizing effort and time. All ProMoots are conducted virtually using video call technology.

### **2. Why ProMoot?**

Traditional moots, with all their allure, pose challenges in terms of participation, time and in some cases, finances. ProMoot aims to bridge that gap by minimizing time, eliminating physical attendance and maximizing participation. ProMoot has a wider outreach owing to its virtual model as well as open participation. The limited time challenges participants to apply themselves quickly and efficiently. A no-frills contest, a typical ProMoot is where "Substance eats style for breakfast". ProMoots provide a strong foundation of various laws and amplify problem solving abilities. A ProMooter stands to have a much better practical understanding of the law.

### **3. How do I register?**

A one-time registration on the website is required to access all moots conducted throughout the year. A ProMooter can participate in any number of moots in a year. To register, go to [www.promooters.com](http://www.promooters.com) and click on "Sign Up". You will be required to attach a photograph of your college ID card to validate your registration. Currently there is no fee payable for registration for students.

### **4. How do I find out when the next ProMoot is?**

Moots are typically held once a month. The calendar of events along with the ProMoot problem is released on our website. You can register on [www.promooters.com](http://www.promooters.com) to stay updated on upcoming moots.

## **5. What is a ProMoot Memorial?**

Drafting a memorial is a difficult task - the formatting, citation methodology and elaborate arguments can be quite tedious and time consuming. Keeping this in mind, the ProMoot memorial is designed to be much simpler giving importance to research competence and presentation skills with brief arguments without too many rules. To know more about the ProMoot memorial, sign in and view the available templates.

## **6. Who is ProMooter?**

Anybody who takes part in a ProMoot is called a ProMooter. [promooters.com](http://promooters.com) is a platform to host ProMoots.
