## **II. Collection of Personally Identifiable Information and other Information**

When you use the Platform, we collect and store your personal information which is provided by you from time to time. Our primary goal in doing so is to provide you with a safe, efficient, smooth and customized experience. This allows us to provide services and features that most likely meet your needs, and to customize the Platform to make your experience safer and easier. More importantly, while doing so we collect personal information from you that we consider necessary for achieving this purpose and for providing our services. We do not collect sensitive personal information such as biometric information, physical and physiological condition, etc. but we do require certain official identifier(s) such as PAN or Aadhar number in order to authenticate your identity to maintain the integrity of the Platform and the competitions conducted through the Platform.

In general, you can browse the website without telling us who you are or revealing any personal information about yourself. However, to use the services of the Platform, you must register with the Platform. Once you give us your personal information, you are not anonymous to us. Where possible, we indicate which fields are required and which fields are optional. You always have the option to not provide information by choosing not to use a particular service or feature on the Platform. However, you will need to create a personal profile in order to use the Platform and to participate or compete in any competitions held or conducted on the Platform. The details you include in your personal profile shall be viewable by us and third party Organizers, our business partners and other persons with whom you may voluntarily chose to share your personal profile, in order to provide smooth services and to ensure authenticity and prevent fraud and mischief.

We use data collection devices such as "log data" and "cookies" on certain pages / in certain parts of the Platform to help analyze our web page flow, measure promotional effectiveness, and promote trust and safety. "Log Data" is information or data your browser sends to us and "Cookies" are small files placed on your hard drive that assist us in providing our services. We offer certain features that are only available through the use of a "cookie". We also use cookies to allow you to enter your password less frequently during a session. Cookies can also help us provide information that is targeted to your interests. Most cookies are "session cookies," meaning that they are automatically deleted from your hard drive at the end of a session. You are always free to decline our cookies if your browser permits, although in that case you may not be able to use certain features of the Platform and you may be required to re-enter your password more frequently during a session.

Additionally, you may encounter "cookies" or other similar devices on certain pages of the Platform that are placed by third parties. We do not control the use of cookies placed by third parties.

If you send us personal correspondence, such as emails or letters, or if other users or third parties send us correspondence about your activities with respect to the Platform, we may collect such information into a file specific to you.

We collect personally identifiable information (email address, name, phone number, driving license number, permanent address, etc.) from you when you set up an account with us. We may use your contact information to send you promotions, advertisements or alerts based on your geo-location and the data collected by us or if requested to do so by third party Organizers. As part of our services, we will necessarily have to share your personal information with third party Organizers. We may also share your personal information to our employees, agents, consultants or

with trusted third parties, on a purely 'need-to-know' basis and will treat such information as confidential information.

We may collect non-personal identification information about users whenever they interact with the Platform, even if they are not registered with us. Non-personal identification information may include the browser name, the type of computer and technical information about Users' means of connection to our Site, such as the operating system and the Internet service provider utilized and other similar information, including Media Access Control (MAC) address, screen resolution, operating system version, Internet browser type and version, time and duration of access to the Platform or any part thereof. We may collect similar information, such as your device type and identifier, if you access the Platform through a mobile device.

Your personal information may be stored and processed in any country where we have facilities or service providers, and by using the Platform, or by providing consent to us (where required by law), you agree to the transfer of information to countries outside of your country of residence, which may provide for different data protection rules than in your country.
